

Suzanne Dunne

Senior Designer

EXPERIENCE

Senior UI/UX Designer

actonbv

2012 - Present

Lead UX/UI design projects from concept through to delivery across web and digital platforms. Develop user-centred designs aligned with accessibility best practices. Collaborate with developers, marketers and stakeholders to deliver cohesive digital solutions. Oversee branding and design consistency across multiple client accounts. Mentor junior designers and contributed to team development.

Print and Web Designer

NDG Design

2010 - 2012

Senior Designer within a small company setting, specialising in branding, marketing, and web design. Delivered cohesive, high-impact visual solutions with strong attention to detail. Strengthened both creative and strategic capabilities in a fast-paced, collaborative environment.

Junior → Senior Designer

Avvio

2005 - 2010

Progressed from Junior Designer to Senior Designer, delivering design solutions for hospitality clients, including branding and marketing materials. Contributed to digital design projects and web experiences. Built strong foundational skills in design principles, team management and client delivery.
